## **100W CANOPY LIGHT**

Redefining petrol pumps into landmarks, Crompton's redesigned PDC aluminium constructed recessed mounted under canopy comes with higher wattage and high efficacy making it an ideal solution for petrol pumps requiring better light distribution and uniformity.

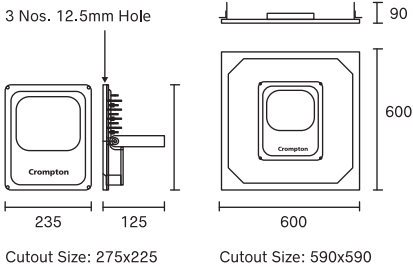

100W CANOPY LIGHT

Features:

- Under canopy with IP66 protection
- Total harmonic distortion <10%
- Efficacy >110LPW
- Surge protection of 4kV+10kV
- Available with 600mm x 600mm frame
- Cradle having 3 Nos. Ø12.5mm hole provided for suspension of luminaire
- Glass cover can be removed for easy maintenance

Applications:

- Petrol pump
- Bill boards
- Railway platform
- Toll plaza

Dimensions shown are for installation references only and will have tolerance ±3mm unless otherwise spcified.

Technical Specification:

Product Description	**Nominal Wattage (W)	CCT (K)	CRI	Voltage (V)	**Mains Current (A)	*Approx. Wt (Kg)
LCNP-100-CDL/60-M	100	5700	70	240	0.438	3.0
LCNP-100-CDL/60-M(600)	100	5700	70	240	0.438	7.2

\*Only for structural/mounting design consideration.    \*\*Rated system wattage & current will have tolerance as par 16104:2012  
As efforts are on constantly to improve the design & methods of manufacture of the product, the product supplied may differ in detail from the data given here.
